(c) Seller reserves the right to require payment of an administrative fee in excess of the specified \$150.00 amount if the requested Change, in Seller's determination will require processing costs, design costs or consideration costs in excess of this sum in order to prepare a Change Order. If this is the case, Seller will notify Purchasers, and the excess amount shall be paid before Seller proceeds with processing of the Change Order.

(d) Following the receipt of a properly submitted Change Request and calculation of a Change Order Price Payment, if Seller elects to accomplish the Change, Seller will provide Purchasers with a proposed Change Order including a description of the Change, the Change Order Price Payment and the date by which Purchasers must sign and return the proposed Change Order and pay the Change Order Price Payment. **12.4 Electrical Layout Changes.** Purchasers, at Purchasers' cost, may request electrical changes in the electrical layout which Seller deems in its discretion to be "minor" (*i.e.* location of and additions to phone jacks and outlets) in the field at the time of the electrical rough-in as specified in the Builder's Production Schedule (herein "**Electrical Changes**"). If Purchasers do not specify any Electrical Changes or if Purchasers do not attend a meeting scheduled by Seller to consider any Electrical Changes, the Home shall be completed in accordance with Seller's electrical layout; otherwise Seller's electrician will complete Purchasers requested Electrical Changes (if minor) at the time of the rough-in wiring of the Home. **12.6 Adding Change Orders To Purchase Price.** The provisions of this paragraph supersede any terms to the contrary in any Financing Addendum to the Agreement.
